

What is JJ Galaxy

JJ Galaxy is one place for all the digital solutions and systems used across Johny & Jugnu:

- Applications
- Company standards
- Dashboards
- Departments database, SOPs and playbooks

How to use it

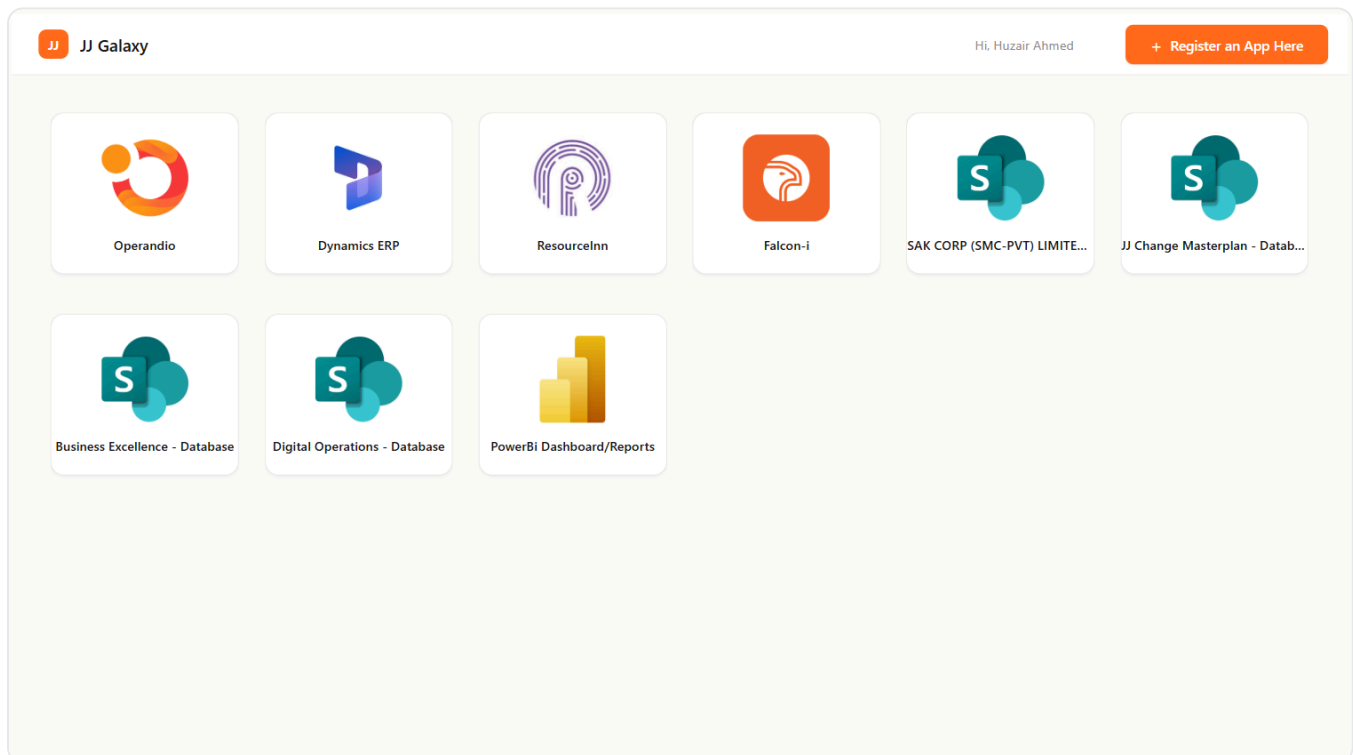

1 Open JJ Galaxy and sign in

Open this link and sign in with your work account.

<https://apps.powerapps.com/play/e/default-8967a4f4-4acb-45ec-aff2-84f832c56e36/a/7c164c5e-6e1f-4cae-8262-486d33a9ce15?tenantId=8967a4f4-4acb-45ec-aff2-84f832c56e36&hint=c57afd35-d720-4510-a4ea-b09d0f52f4a5&source=sharebutton&sourcetime=1785153577250>

2 Click the tile you need

Click the tile for the app, dashboard, or resource you need. It opens in a new tab.

The JJ Galaxy home page.

Appendix A. Who to contact

Contact the person responsible for a system directly. This list changes as ownership changes and will be kept up to date.
